One stop for all Landscape & irrigation Solution

❖ Firm Profile

The ownership of Omnath Irrigation brings with it a wealth of experience that extends over a period of 19 years in the industry. Being the pioneers of irrigation and landscaping in the Kutch Region, we have played a vital role in the development of agricultural and landscape transformation in the All over India. Our commitment to construct world class gardens assured all its clients a total quality service. Custom-tailored services offered by a well-trained team, comprising of landscape architects; design engineers; project engineers; supervisors; and skilled workers, to suit the varying requirement from private clients; municipalities, palaces to hotels and government bodies, with optimum outcomes. Garden Depot is the new venture aimed at bringing this experience to the consumers of the Kutch.

❖ About Us

Omnath Irrigation works with a philosophy that the quality of outdoor spaces directly influences our lives. Context and sustainability are key considerations of our processes and designs. We are passionate, driven, and unwilling to compromise on quality. Garden Depot through employing a specialized team of landscape architects, horticulturists, irrigation engineers, and skilled workers, aim to bring exceptionally designed and built outdoor areas. Offering quality landscaped garden/outdoor area, combinations of hard landscaped outdoor seating areas, water features, swimming pool, plant areas, following contemporary design elements. Omnath Irrigation commitment to provide cutting edge design and expert installation of quality gardens assure clients exceptional satisfaction. The aim is to also provide, through a number of retail outlets that provide high quality plants, landscape and irrigation products at an affordable price to the consumers of the Kutch, including unique products that have sustainable offerings. Sustainability and the use of “green” products are at the core of Omnath Irrigation philosophy.
